MESSAGE FROM THE PRESIDENT

As we head into the holiday season, we want to wish our amazing Bobcat community a fun and restful Winter Break!

Thank you to those who joined our PFC mingle at Pinstripes. It was nice to connect with new families and spend time with old friends. We will be back in January for our regular PFC meeting January 14th, and will continue to offer the Zoom option for those not able to join in person.

For the 2024/25 school year, PFC committed to spending \$248,000 to support our students. Based on fundraising trends from previous years, we estimated raising \$203,000, leaving us with a projected \$45,000 deficit that would need to be covered by our reserves.

Thanks to your incredible support, we've exceeded our fundraising estimates through the Fall Pledge and Walk-a-Thon! Your contributions have helped close the \$45,000 gap, bringing us closer to meeting our financial goals for the year.

We still need your help with our final big fundraiser of the year: the Auction/Gala in March. Whether by attending the event, volunteering, donating auction items, or encouraging others to participate, your support will make a huge difference.

Looking ahead, we are working on many wonderful events in the coming year. We hope to meet new and returning families at our Multicultural festival in January, our Family Dance in February and hope to party with you all at our Auction/ Gala in March.

For now, take this time to relax, recharge, and create wonderful memories with loved ones. Go Bobcats!
