BANCROFT PFC NEWSLETTER

As we celebrate our record-breaking Auction success, and while preparing to show our appreciation towards our amazing 2024/25 staff, we are quickly focusing on next school year's PFC team, still in the making! See below for opportunities!

MESSAGE FROM THE PRESIDENT

Many thanks to everyone who attended our wildly successful Auction! Not only did we set some records, but we also had an amazing time doing it. Huge shoutout to our Auction co-chairs Kelly Bottarini and Amanda Pinkham, your countless hours and tireless work truly paid off.

A big shout-out to everyone who sat through over two hours of the April PFC meeting on Tuesday—it was a doozy! But also incredibly important, as we discussed how to allocate the funds we work so hard to raise. This year, the budget committee collaborated with Principal Flynn to create a plan that not only continues to support our school but also included a plan for intervention and acceleration for our Bobcats. I'm truly proud of the budget plan for the 2025–2026 school year and am excited to vote on it at the May meeting.

Can you believe there are less than 30 days left in the school year? While summer is just around the corner, we're already planning for next fall. With many families moving on to middle school, we're in urgent need of new leads for some of the beloved events the PFC organizes. Without volunteers stepping up, we unfortunately won't be able to offer After School Enrichment classes, Fall Fest, or Multicultural Night for the 2025–2026 school year.

If these are events you want to see continue, now is the time to step up. It truly takes a village—and we'd love to welcome you to the team.
